

Will you owe more on your auto loan than your vehicle is worth?

A wrecked vehicle can wreck your finances if you owe more on your auto loan than your insurance will pay. Our **Guaranteed Asset Protection (GAP)** program takes away that fear. The program may reduce or eliminate the gap between what your vehicle insurance will pay and what you owe on your loan. It can help cushion you and your family against sudden out of pocket expenses.

The fair market insurance value isn't always fair. There may be a GAP.

The **second** you drive your new vehicle off the lot it drops in value. More than 20% after one year. This creates a gap in coverage.

Get GAP today so you can worry a little less about tomorrow.
